# About Me

---

I am a junior.

I'm a childhood education major.

I love to draw, cook, do makeup,

as well as do nails. I also

enjoy spending time with my loved ones.

# Expectations

Everything that  
we are doing now  
with Professor  
Brenner is how  
I thought this  
class would go.

# Readings

One thing I read in class was Joe Sacco's *Gaza*. That book was very interesting and inspirational.

# creations

I created this  
zinc assignment.  
This was very  
fun to do.

# favre poem

I don't have  
a favorite  
poem. I have  
a hard time  
grasping the  
meaning behind  
a poem

# Project #2

I'm creating  
an art piece  
that grasps the  
reality between  
palestine and  
israel.
